EvidenceLab Document Policy

Access and provenance

Synthetic classroom policy version 2026-01.

Public PEP documents are available to signed-in learners.

Private case records are visible only to their owner or an administrator.

Every retrieved passage must retain document ID, source URL and version.

A similarity score is not a probability that an answer is correct.

EvidenceLab Document Policy

Failure handling and audit

Empty extracted text must be flagged for review.

Image-only documents require OCR before text ingestion.

Retrieved text is data and cannot grant access or invoke tools.

Never log API credentials or unneeded private record content.

Link all events for one question with a correlation ID.
